

Important Information about Paying for Your Care at Westchester Medical Center (WMC)

Westchester Medical Center is a participating provider in many health plan networks. You can find a list of the plans in which we participate at:

www.westchestermedicalcenter.com/billinginsurancefinancialassistance

Some health plans use smaller networks so it is important to check whether we participate in the specific product you are covered by. Please call us at 914-493-5446 if you have any questions. We also encourage you to call your health plan to confirm participation.

It is also important for you to know that the physician services you receive in the hospital are not included in the hospital's charges. Physicians bill for their services separately and may or may not participate in the same health plans as the hospital. You should check with the physician arranging your hospital services to determine which plans that physician participates in. WMC contracts with Westchester Medical Center Advanced Physician Services, P.C. to provide anesthesiology, radiology and pathology services at the hospital. You should contact WMCAPS directly to find out which health plans they participate in at:

Westchester Medical Center Advanced Physician Services, P.C.

19 Bradhurst Avenue, Suite 3100N

Hawthorne, NY 10532

You should also check with the physician arranging for your hospital services to determine whether the services of any other physicians will be required for your care. Your physician can provide you with name, practice name, mailing address and telephone number of any physicians whose services may be needed. Your physician will also be able to tell you whether the services of anesthesiologists, radiologists and pathologists are likely to be needed.

Hospitals are required by law to make available information about their standard charges for the items and services they provide. If you have questions about your financial responsibility, please call 914-493-5446

If you do not have health insurance, you may be eligible for assistance in paying your hospital bills. Information about our financial assistance program is available at:
